[spoken]

"And then, one day a tune pops into my head.
I jot down some dummy words, Nick and I do a quick
cut arrangement,
then we call the studio and sing it to Crue. And the
whole world exploded!"

Sherry, Sherry baby
Sherry, Sherry baby

She - e - e-e-e-ry baby
She - e - rry, can you come out tonight
She - e - e-e-e-ry baby
She - e - rry, can you come out tonight

(Why don't you come out) to my twist party
(Come out) Where the bright moon shines
(Come out) We'll dance the night away
I'm gonna make-a you mi-yi-yi-yine

She - e - e-e-e-ry baby
She - e - rry, can you come out tonigh
(Come, come, come out tonight)
(Come, come, come out tonight)
You-oo-oo better ask your mama
Tell her everything is all right

(Why don't you come out) with your red dress on
(Come out) Mmm, you look so fine
(Come out) Move it nice and easy
Girl, you make me lose my mind

She - e - e-e-e-ry baby
She - e - rry, can you come out tonight
(Come, come, come out tonight)
(Come, come, come out tonight).....
