I got your picture that you gave to me
And it's signed with love the way it used to be
The only thing different, the only thing new
I got your picture, she got you

I got the records that we used to share
And they still sound the same as, as when you were
here
The only thing different the only thing new
I got the records, she got you

I got your memory, or has it got me
I really don't know but I know it won't let me be, yeah

I got your class ring that proves you cared
And it still looks the same as when you gave it, dear
The only thing different, the only thing new
I got these little things, she got you

I got your memory, or, or has it got me
I really don't know but I know it won't let me be, yeah

I got your class ring that proves you cared
Its still looks the same as, as when you gave it, dear
The only thing different, the only thing new
I got these little things she, she got you, yeah
