You shine a light on my life

You shine a light on my life
You shine a light on my life
You shine a light on my life
Let me see

You shine a light on my life
You shine a light on my life
You shine a light on my life
Let me see

You shine a light on my life
You shine a light on my life
You shine a light on my life
Let me see

You shine a light on my life

You shine a light on my life

You shine a light on my life

You shine a light on my life
