Give me release  
Witness me  
I am outside  
Give me peace

Heaven holds a sense of wonder  
And I wanted to believe that I'd get caught up  
When the rage in me subsides

Passion chokes the flower  
Until she cries no more  
Possessing all the beauty  
Hungry still for more

Heaven holds a sense of wonder  
And I wanted to believe that I'd get caught up  
When the rage in me subsides

I can't help this longing  
Comfort me  
I can't hold it all in  
If you won't let me

Heaven holds a sense of wonder  
And I wanted to believe that I'd get caught up  
When the rage in me subsides

In this white wave  
I am sinking  
In this silence

In this white wave  
In this silence  
I believe

In this white wave  
I am sinking  
In this silence

In this white wave  
In this silence

I believe

I have seen you  
In this white wave  
You are silent

You are breathing  
In this white wave  
I am free

In this white wave  
I am sinking  
In this silence

In this white wave  
In this silence  
I believe

I have seen you  
In this white wave  
You are silent

You are breathing  
In this white wave  
I am free
