Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Now won't you please take me home?
Just an urchin livin' under the street
I'm a hard case that's tough to beat
I'm your charity case so buy me somethin' to eat
I'll pay you at another time take it to the end of the line
Rags to riches or so they say
You gotta keep pushin' for the fortune and fame
It's all a gamble when it's just a game
You treat it like a capital crime, everybody's doin' their
time
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Now won't you please take me home?
Strapped in the chair of the city's gas chamber
Why I'm here I can't quite remember
The surgeon general says it's hazardous to breathe
I'd have another cigarette but I can't see
Tell me who you're gonna believe
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Now won't you please take me home?
So far away
So far away
So far away
So far away

Captain America's been torn apart
Now he's a court jester with a broken heart
He said, "Turn me around and take me back to the
start
I must be losin' my mind, are you blind?"
I've seen it all a million times
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Now won't you please take me home?
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Now won't you please take me home?
