Are you ready?

This place inside my mind

A place I like to hide

You don't know the chances

What if I should die?

A place inside my brain

Another kind of pain

You don't know the chances

I'm so blind

Another place I find

To escape the pain inside

You don't know the chances

What if I should die?

A place inside my brain

Another kind of pain

You don't know the chances

I'm so blind

Deeper and deeper

And deeper as I journey to

Live a life that seems

To be a lost reality

That I can never find a way to reach

My inner self esteem is low

How deep can I go

In the ground that I lay?

If I don't find a way to see

Through the gray that clouds my mind.

This time I look to see

What's between the lines

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I can't see, I can't see, I'm going blind

I'm blind

I'm blind I'm blind I'm blind
