Ricky Van Shelton)

Hello? Yeah, this is me
Lord it's been a long, long time
I know this ain't no social call
So go ahead, get it off your mind
You heard what? Well it ain't true
I was here most all last night
I got over you the day you left
Lord I'll bet somebody lied
They said what? That I was crying
I haven't shed a tear in years
That I spoke your name
Well that's insane
I hardly noticed you're not here
That I showed your picture
To some stranger
Don't you think I've got no pride
They've been here at home
Face down on shelf
Lord I'll bet somebody lied
But if they were true
What would it matter to you
Would it change the way you feel
If the rumors were right
Would you be here tonight
To help this old heart heal
Well don't worry
It wasn't me
Just someone whose world was torn in two
Someone who looks a lot like me
And loved someone like you
So forget the tears
I never cry
Lord I'll bet somebody lied
