State of love and trust as I busted down the pretext
Sin still plays and preaches, but to have an empty
court, uh huh
And the signs are passin', grip the wheel, can't read it
Sacrifice receiving the smell that's on my hands,
hands, yeah

And I listen for the voice inside my head
Nothin', I'll do this one myself

Lay her down as priest does, should the Lord be
accountin'
Will be in my honor, make it pain, painfully quick, uh
huh
Promises are whispered in the age of darkness
Want to be enlightened like I want to be told the end,
end, yeah

And the barrel stays aimed a-directly at my head
Oh, help me, help me from myself
And I listen from both sides of the bed
Nothin', I'll do this one myself

Oh, oh, oh, myself, myself
Yeah, yeah

Hey, na, na, na, na, hey, that's something
Hey, na, na, na, na, hey, that's something
Hey, na, na, na, na, hey, that's something
Wanna back, back it away, yeah, yeah, yeah

And I listen, yeah, for the voice inside my head
Nothin', I'll do this one myself
Oh, ah, and the barrel waits, trigger shakes
Aimed right at my head, won't you help me
Help me from myself

State of love and trust, and a
State of love and trust, and a
State of love and trust, and a
State of love and, yeah, yeah, yeah
