is it hard to hold your bad breath
how's the picture perfect likeness
nice frame from the way you see yourself
smile
look into the place of our old school
denial
nice move

the hundred meter rhythm
you always go the distance
the memories shared (are not.../ in our honor)
nostalgia is under current
it must be such a burden
you see them on the way downstream

to withdraw
the message sent

bite the hand feeding
Leave it
plead it
go and be able
earn your
label
I heard you were better man
a letter from some old forgotten friend
Inbred
