Lost in a dream
I don't know which way to go
If you are all that you seem
Then baby, I'm movin' way too slow

I've been fooled before
Wouldn't like to get my love
Caught in the slammin' door
How about some information, please?

Straight up, now tell me
Do you really wanna love me forever
Or am I caught in a hit and run?

Straight up, now tell me
Is it gonna be you and me together
Or are you just havin' fun?

Time is standing still
Waiting for some small clue
I keep getting chills
When I think your love is true

I've been fooled before
Wouldn't like to get my love
Caught in the slammin' door
How about some information, please?

Straight up, now tell me
Do you really wanna love me forever
Or am I caught in a hit and run?

Straight up, now tell me
Is it gonna be me and you together
Are you only havin' fun?

You are so hard to read
You play hide and seek
With your true intentions
If you're only playin' games
I'll just have to say goodbye

Do, do you love me?
Do, do you love me?
Do, do you love me?
Do, do you love me?

I've been fooled before
Wouldn't like to get my love
Caught in the slammin' door
Are you more than hot for me
Or am I a page in your history book?

I don't mean to make demands
But the word and the deed go hand in hand
How about some information, please?

Straight up, now tell me
Straight up, now tell me
Straight up, now tell me
Straight up, now tell me

Straight up, now tell me
Do you really wanna love me forever
Or am I caught in a hit and run?

Straight up, now tell me
Is it gonna be you and me together
Are you just havin' fun?

Straight up, now tell me
If you really wanna love me forever
