[Joe]

My dear, my dear, my dear
You do not know me
But I know you very well
Now let me tell you that I caught you
My dear, my dear, my dear
You do not know me
But I know you very well
Now let me tell you that I caught you

Talk to me, tell me, where you were
Late, last night
Ya-you told me, you were with your friends hanging out
Late, last night
Ya-you're lying 'cause you're studdering
Now where were you?
Late, last night
Stop lying to me cause you're ticking me off
See you're ticking me off, ooh

[Joe]

I can tell you're lying
Cause when you're replying
You stutter, stutter, stu-stutter, stutter

I can tell you're lying
Cause when you're replying
You stutter, stutter, stu-stutter, stutter

I can tell you're lying
Cause when you're replying
You stutter, stutter, stu-stutter, stutter

I can tell you're lying
Cause when you're replying
You stutter, stutter, stu-stutter, stutter

[Mystikal]

Watch yourself
Watch yourself

Quit your lying heffer
Watch yourself heffer

[Joe]

Listen

I called you on your cell phone

No answer, tell me why

So I paged you on your two way

Still no response, tell me why

I took care of you, I love you

And you played me, tell me why

Stop lying to me about where you've been

Cause you're ticking me off, tick-tick-ticking me off

I can tell you're lying

Cause when you're replying

You stutter, stutter, stu-stutter, stutter

I can tell you're lying

Cause when you're replying

You stutter, stutter, stu-stutter, stutter

I can tell you're lying

Cause when you're replying

You stutter, stutter, stu-stutter, stutter

I can tell you're lying

Cause when you're replying

You stutter, stutter, stu-stutter, stutter

[Joe]

My dear, my dear, my dear

You do not know me

But I know you very well

Now let me tell you that I caught you

My dear, my dear, my dear

You do not know me

But I know you very well

Now let me tell you that I caught you

[Mystikal]

Quit your lying heffer, watch yourself

Yeah, I'll give the whips but leaving you out here by
yourself

I'm keepin' it gangsta with all the tattoos and platinum
mouth

I was the rapper you heard about strappin' up in the
waffle house

Right next to niggas when I be sparkin' 'em out

And I'm way too cold to plain let you come and dog me
out

Should've of knew what you was up to when you got
here
Get off my couch, get
And I just can't change it
It's gonna be good
Get out on ya route
My bad, you're out
I seen it coming with that nappy hair
She was running docked out wanting what you had
You let him set you up and you fell for it
Now it's "I-I-I'm sorry, my a--!"
That's why you're paying for it
You got the garbage, I got the trash can for it
The man ain't gon stand for it
You better respect my flow
Don't be stuttering when you're talking to Mystikal
Or lying when you be talking to Joe

[Joe]

I smell cologne damn it's strong
How did ya get it on?
I'm not dumb
He messed up your hair
Make-up's every where
Ooh yeah I'm not dumb
Girl I'm crying 'cause your lyin'
To my face, I'm not dumb
Stop lying to me about seeing a man
Cause you're ticking me off

I can tell you're lying
Cause when you're replying
You stutter, stutter, stu-stutter, stutter
