its super-cali-fraga-listic-xpala-doses even though the
sound (wha) is simply quiet (i know ya) atrosis (i know
ya an't really listinin to this) (geeezzz) hu hu i sing
glory to da patient cause my lo can't sing to the youth
nation hold up baby i'm sick of waitin super-cali-fraga-
listic-xpala-doses i feel so amazin thanx ta marco g to
trix plazin flotin like i'm marry popins on the pavement
crusin in my nice ride look at how the ice shine super-
cali what say it twice and you might fly hidn in the plane
and your love ones might think your insane but the
facts still remain ya in your own lane on the positive
train on your way to disney world to ease pain this ain't
no game the word super-cali alone gonna be around till
light years shon now don't talk back to your parents no
you better not pout loves about feelin good like mickey
mouse fraga-listic wear no lipstick young girls follow
this song and you'll end up in a new world xpala-
doshes hope we wrote this ta let ya'll know we as youth
gotta grow as one voice we can go were we gotta go
and learn what we need to know but we gotta show
respect respect respect see i'm super-cali-fraga-listic-
xp-ala-doses the diamonds on your wall will make you
think that i'm atrocious from under the sea to the
jungle book say this word in your deram the your better
than hook sit tight look at the wrist watch its time to go
like fantasa amazingly time is gone walt disney gave
me the ok to roll yo so i'm gonna speak up on this word
ti'll i can't no more so im fragi-listic -xp te shirt wristby
face bisty to get ready for walt disney word ta micky
ya'll musta missed me i don't got time to play you can
find me on the guest star space ship miles away makit
tivity away from me cause that wripper dear mr. walt
this is a letter to let ya know because of you a lot of
things are better i went ta disney world boy some
imagination (magination) boy you build a whole nation
and its all in your need no body can get it twisted
disney sweet safe hey magnificent
