[1st Verse]

Did you see a shooting star,
Cross the sky spectacular (yeah)
On the front by mile,
Radiating crazy style,
The universe comes to me,
I can make it look so easy,
Like a rare phenomenon,
You can see today but I see beyond

[Chorus:]

When I get this feelin',
Somethings about to happen,
Without any reason,
It's Supernatural,
Some people call me crazy,
Somethings there's no explaining,
Just believe what you see,
It's Supernatural
(Uh Oh Uh Uh Oh)
Supernatural

You got the floor go the mic;
Livin' in this double life,
Welcome to another world
Magic sista' super girl,
Don't know how I do what I do,
But I can make it all come true,
Got the skills,
Got the touch,
Got the sense,
I'm takin' off,

[Chorus]

Maybe super human,
Maybe super strange,
Like a force of nature,
A hurricane,
Why does it matter,
Where I got it from,
Got my power on,

And I'm goin',
Goin' gone!
Believe what you see,
Oh yeah yeah,
(Oh oh oh)

[Chorus]

It's SUPERNATURAL.
