Long ago
And oh, so far away
I fell in love with you
Before the second show

Your guitar
It sounds so sweet and clear
But you're not really there
It's just the radio

Don't you remember
You told me you love me, baby?
You said you'd be coming back
This way again, baby
Baby, baby, baby, baby, oh, baby
I love you, I really do

Loneliness
Is such a sad affair
And I can't hardly wait
To be with you again

What to say
To make you come again?
Come back to me again
And play your sad guitar

Don't you remember
You told me you love me, baby?
You said you'd be coming back
This way again, baby
Baby, baby, baby, baby, oh, baby
I love you, I really do

Don't you remember
You told me you love me, baby?
You said you'd be coming back
This way again, baby
Baby, baby, baby, baby, oh, baby
I love you, I really do
