So if you're lonely,
You know i'm here waiting for you,
I'm just a crosshair,
I'm just a shot away from you
And if you leave here
You leave me broken shattered alive
I'm just a crosshair
I'm just a shot..then we can die

Ooohahhhhh

I know I wont be leaving here with you

I say don't you know
You say you don't know
I say... take me out
I say you don't show
Don't move time is slow
I say... take me out

I say you don't know
You say you don't go
I say... take me out

I know I wont be leaving here (with you)
I know I wont be leaving here
I know I wont be leaving here (with you)
I know I wont be leaving here with you

I say don't you know
You say you don't know
I say... take me out
If I move this could die
Eyes move this can die
C'mon...take me out

I know I wont be leaving here (with you)
I know I wont be leaving here
I know I wont be leaving here (with you)
I know I wont be leaving here with you
