Take this job and shove it, I ain't working here no more  
My woman done left and took all the reasons I was  
working for  
You better not try to stand in my way as I'm a walking  
out the door  
Take this job and shove it, I ain't working here no more

I've been workin' in this factory for now on fifteen years  
All this time I watched my woman drowning in a pool of  
tears  
And I've seen a lot of good folk die who had a lot of  
bills to pay  
I'd give the shirt right off of my back if I had the guts to  
say

Take this job and shove it, I ain't working here no more  
My woman done left and took all the reasons I was  
working for  
You better not try to stand in my way as I'm a walking  
out the door  
Take this job and shove it, I ain't working here no more

Well that foreman, he's a regular dog, the line boss,  
he's a fool  
Got a brand new flat-top haircut, Lord, he thinks he's  
cool  
One of these days, I'm gonna blow my top and that  
sucker, he's gonna pay  
Lord, I can't wait to see their faces when I get up the  
nerve to say

Take this job and shove it, I ain't working here no more  
My woman done left and took all the reasons I was  
working for  
You better not try to stand in my way as I'm a walking  
out the door  
Take this job and shove it, I ain't working here no more
