I don't want to be part of the problem  
I try so hard to get roughed up  
Fists on up, it looks that easy  
It looks that way to me  
It looks that way to you  
But then there's you telling me I can  
Then there's you screaming say something  
I want the ocean right now  
I want the ocean right now  
I get so jealous that I can't even work  
There I am in the morning  
I don't like what I see  
I don't know how it's become such a problem  
Keep you up all night if I try to remain calm  
How can they ask why I feel so angry  
Do you see my problem if I never explain it  
But then there's you asking me how long  
Say something, it's taken me so long
