Sister, I'm not much a poet  
But a criminal and you never had a chance

Love it or leave it, you can't understand  
A pretty face but you do so carry on  
And on and on

I wouldn't front the scene if you paid me  
I'm just the way that the doctor made me  
On and on and on and on

Love is the red of the rose on your coffin door  
What's life like bleeding on the floor?  
The floor, the floor

You'll never make me leave  
I wear this on my sleeve  
Give me a reason to believe

So give me all your poison  
And give me all your pills  
And give me all your hopeless hearts  
And make me ill

You're running after something  
That you'll never kill  
If this is what you want  
Then fire at will

Preach all you want but who's gonna save me?  
I keep a gun on the book you gave me  
Hallelujah, lock and load

Black is the kiss, the touch of the serpent son  
It ain't the mark or the scar that makes you  
One and one and one and one

You'll never make me leave  
I wear this on my sleeve  
Give me a reason to believe

So give me all your poison

And give me all your pills  
And give me all your hopeless hearts  
And make me ill

You're running after something  
That you'll never kill  
If this is what you want  
Then fire at will

You'll never make me leave  
I wear this on my sleeve  
You wanna follow something  
Give me a better cause to lead  
Just give me what I need  
Give me a reason to believe

So give me all your poison  
And give me all your pills  
And give me all your hopeless hearts  
And make me ill

You're running after something  
That you'll never kill  
If this is what you want  
Then fire at will

So give me all your poison  
(Fire at will)  
And give me all your pills  
And give me all your hopeless hearts  
(Fire at will)  
And make me ill

You're running after something  
(Fire at will)  
That you'll never kill  
If this is what you want  
(Fire at will)  
Then fire at will
