When you said yesterday
That it's nearly Christmas
What did I want and I thought
Just love me, love me, love me
That's what I want for Christmas

When I walk through a room
Let them see you need me
Walk through a room let them
See you love me, love me, love me
That's what I want for Christmas

Anyone can wish for all
The trinkets in the window
Some can even buy the things they see
But the presents that I want, I want
You'll never find in any window
Bring me love and bring it just for me, for me

When you come home at night, baby
Take me in your arms and hold me, baby
Kiss me and let them say you love me
Say you love me, love me, oh love me
That's what I want for Christmas

Da, da, da, da, da, da, da, da
Da, da, da, da, da, da, da, da

Love me, love me, oh that's what I want
That's what I want for Christmas

Anyone can wish for all
The trinkets in the window
Some can even buy the things they see
That's what I want, that's what I want
But the presents that I want, I want
You'll never find in any window
Bring me love and bring it just for me, for me

When you come home at night
And you take me in your arms
And you hold me, hold me, kiss me

Kiss me, let them see you love me
And say you love me, love me

Love me, love me, love me, love me, love me
That's what I want for Christmas
That's what I want, that's what I want

Hold me, hold me
Kiss me, kiss me
That's what I want for Christmas
