The ladies on the corner
Sellin' it for speed
The bitch complaining
about fuckin porno magazine
Miner's in the disco
Takes his booze straight
Cops in the lounge
Waitin for the chance to be

Willie and the brothels
Willie and the speed
Willie and their friends
They have every thing you need

When i first me him
I knew that he was tough
And not to my surprise
He's really got it rough
Red leather pants
A tattooed neck
Prayin hard to Jesus
Sayin give me a rest
