I hang up the stockings one by one
And put up the Christmas tree
Decorated the whole house with lights
I put both reefs red and green

I'm excited that it's finally Christmas
It's the time that you are with us
It's the time for giving
Yes, the time for living

All the lights and the tinsel sparkle
Ornaments and decorations
And then my sweet aunt turned on the radio
And "Jingle Bells" was on.
And "Jingle Bells" was on.
And "Jingle Bells" was on.

So I put my hands up
The time of the year
The bluebirds fly away
Singing a carroll, like yeah
Giving a gift, like yeah
Got my hands up
The time of the year
I look at the Christmas lights
Yeah, It's a Party at Christmas time
Yeah, It's a Party at Christmas time

Go to the festival of lights (Full of lights)
Going to home for dinner tonight (Dinner tonight)
Not the time for us to fight (Us to fight)
Got a CD full-a-Christmas songs and I feel alright

So I put my hands up
The time of the year
The bluebirds fly away
Singing a carroll, like yeah
Giving a gift, like yeah
Got my hands up
The time of the year
I look at the Christmas lights
Yeah, It's a Party at Christmas time

Yeah, It's a Party at Christmas time

So I put my hands up
The time of the year
The bluebirds fly away
Singing a carroll, like yeah
Giving a gift, like yeah
Got my hands up
The time of the year
I look at the Christmas lights
Yeah, It's a Party at Christmas time
Yeah, It's a Party at Christmas time
