If I cannot bring you comfort
then at least I bring you hope
for nothing is more precious
than the time we have and so
we all must learn from small misfortune
count the blessings that are real
let the bells ring out for christmas
at the closing of the year
let the bells ring out for christmas
at the closing of the year

All ? the ? of the Sargent Major
?
sleigh bells in the snow were ringing
?
If I cannot bring you comfort
then at least I bring you hope

Now all the winter bells are ringing
hear the metal through the snow
and the children's voices singing
on the streets so far below
this is a time to be together
and the truth is somewhere here
?
at the closing of the year

we're walking ins sun with all of the ? and
all of the patience and all ?
with ? in the ?
the what a ? will fly in the hours of time
walk and the way is never far
don't fall (at the closing of the year)
at the closing of the year (at the closing of the year)

If I cannot bring you comfort
then at least I bring you hope

then at least I bring you hope.....

happy workers, happy workers
happy workers, happy workers

I love my job, he loves his job
pull that lever, start the engine
pump the water, build the pressure, push the piston,
press the button
pump the water, build the pressure, push the piston,
press the button
pump the water, build the pressure, push the piston,
press the button
it's the perfect job
