Performed by The Musical Cast of Toys
Featuring Wendy & Lisa

If I cannot bring you comfort
then at least I bring you hope
for nothing is more precious
than the time we have and so
we all must learn from small misfortune
count the blessings that are real
let the bells ring out for christmas
at the closing of the year
let the bells ring out for christmas
at the closing of the year

If I cannot bring you comfort
then at least I bring you hope

at the closing of the year
at the closing of the year

at the closing of the year
