We starve-look  
At one another  
Short of breath  
Walking proudly in our winter coats  
Wearing smells from laboratories  
Facing a dying nation  
Of moving paper fantasy  
Listening for the new told lies  
With supreme visions of lonely tunes

Somewhere  
Inside something there is a rush of  
Greatness  
Who knows what stands in front of  
Our lives  
I fashion my future on films in space  
Silence  
Tells me secretly  
Everything  
Everything

Manchester England England  
Manchester England England  
Eyes look your last  
Across the Atlantic Sea  
Arms take your last  
embrace  
And I'm a genius genius  
And lips oh you the  
doors of breath  
I believe in God  
Seal with a righteous kiss  
And I believe that God believes in Claude  
Seal with a righteous kiss  
That's me, that's me, that's me  
The rest is silence  
The rest is silence  
The rest is silence

Singing  
Our space songs on a spider web sitar

Life is around you and in you  
Answer for Timothy Leary, dearie

Let the sunshine  
Let the sunshine in  
The sunshine in  
Let the sunshine  
Let the sunshine in  
The sunshine in  
Let the sunshine  
Let the sunshine in  
The sun shine in
