Norma: This was dawn
I don't know why I'm frightened
Silent music starts to play.
Happy new year, darling.
If you're with me, next year will be...
Next year will be...
They bring in his head on a silver tray.
She kisses his mouth...
She kisses his mouth...!
She kisses his mouth...!!
Mad about the boy!
They'll say Norma's back at last
Max: Madame, the cameras have arrived.
Norma: Max, where am I?
Max: This is the staircase of the palace
And they're waiting for your dance.
Norma: Of course,
Now I remember:
I was so frightened I might fall...
Max: You are the greatest star of all!
Lights!
Cameras!
Action!
Norma: I can't go on with the scene: I'm too happy.
May I say a few words mister DeMille?
I can't tell you how wonderful it is to
Be back in the studio making a picture. I promise you
I'll never desert you again.
This is my life. It always will be. There is
Nothing else. Just us, the cameras and all you
wonderfull
People out there in the dark. And now Mr. DeMille, I'm
ready
For my close up.
