[boys]

Flip on a switch, and everything's fine -
No more lips, no more tongue, no more ears, no more
eyes
The naked blue angel, who peers through the blinds
Disappears in the gloom of the mirror-blue night

[melchior]

But there's nowhere to hide from these bones, from my
mind
It's broken inside - I'm a man and a child
I'm at home with a ghost, who got left in the cold
Who knocks at my peace, with no keys to my soul

[boys]

And the whispers of fear, the chill up the spine
Will steal away too, with a flick of the light
The minute you do, with fingers so blind
You remove every but of the blue from your mind

[melchior]

But there's nowhere to hide from the ghost in my mind
It's cold in these bones - of a man and a child
And there's no one who knows, and there's nowhere to
go
There's no one to see who can see to my soul
