Oh the more that we're together
Together, together
The more that we're together
The happier we'll be
For your friends are my friends
And my friends are your friends
So the more that we're together
The happier we'll be

The more we share together
Together, together
The more we share together
The happier we'll be
For your friends are my friends
And my friends are your friends
The more we share together
The happier we'll be

The more we eat cookies together
Together, together
The more we eat cookies together
The happier we'll be
For your friends are my friends
And my friends are your friends
The more we eat cookies together
The happier we'll be

Oh the more we sing together
Together, together
The more we sing together
The happier we'll be
For your friends are my friends
And my friends are your friends
The more we sing together the happier we'll be

So-
Let's sing a song that everybody knows
A song that we've all heard before
The tune is simple, we all know how it goes
With simple words and nothing more
The steady rhythm and the harmony

Make singing such an easy thing
So lets sing a song that everybody knows
So that everyone can sing So that everyone can sing
