Hey look out for that movin' van  
Drivin' down our streets  
You better lock up your man  
Before he meets

The new girl in town  
Who just came on the scene  
The new girl in town  
Can't be more than sixteen

And she's got a way of makin'  
A boy act like a clown  
Woah, woah, woah, woah  
We don't know what to do  
'Bout the new girl in town

The new girl in town  
Seems to dance on air  
The new girl in town  
She's got the coolest hair

You better tell the home coming queen  
To hold on to her crown  
Woah, woah, woah, woah  
Or she's gonna lose it to  
The new girl in town

She's hip, so cool  
I'm gonna get her after school  
And yet we'd like to be like her  
'Cause she's the kitten that the cats prefer

Ladies, step aside

The new girl in town  
He's my guy on a string  
The new girl in town  
Hey look, she's wearin' his ring

I can't stop crying and so  
In my own tears I'm gonna drown  
Woah, woah, woah, woah

'Cause he wants to rendezvous  
With the new girl

We kinda sad and blue  
Yes, it's true girl  
We'd like to say  
To the new girl in town  
The new girl in town  
Woah, woah, woah, woah

From out of the blue girl  
This town's in a stew girl  
What a hullabloo girl  
She ain't just passing through girl

She's stickin' like glue girl  
To the man I thought I knew girl  
Woah, woah, woah, woah

Hey look out for that movin' van  
Look out, look out, look out, look out  
She was a new girl in town
