Spider-man, spider-man  
Does whatever a spider can  
Spins a web, any size  
Catches thieves, just like flies  
Look out! here comes the spider-man!

Is he strong? listen, bud!  
He's got radioactive blood.  
Can he swing from a thread?  
Take a look overhead.  
Hey there, there goes the spider-man!

In the chill of night,  
At the scene of the crime  
Like a streak of light  
He arrives just in time

Spider-man, spider-man  
Friendly neighborhood spider-man  
Wealth and fame, he's ignored  
Action is his reward  
To him, life is a great big bang-up  
Wherever there's a hang-up  
You'll find the spider-man!
