"Then You Can Tell Me Goodbye"

Kiss me each morning for a million years
Hold me each evening by your side
Tell me you love me for a million years
Then if it dont work out
Then if it dont work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sigh
After you've loved me for a million years
Then if it dont work out
Then if it dont work out
Then you can tell me goodbye

If you must go I wont grieve
If you just wait a lifetime
Before you leave
If you must go I won't say "no"
Just so we can say we tried
Tell me you love me fore a million years
Then if it dont work out
Then if it dont work out
Then you can tell me goodbye
