Have you seen me lately
Staying hard to far
Well I know it ain't easy
But you know I don't mind

I always know where you are
You never know where I am
You caught me sneaking around
Like the invisible man
You'll never know where I've gone
You've gone and done it again
You caught me sneaking around
Like the invisible man
Goin' once, goin' twice, three times I'm gone

You've been looking for days now
All though I am not around
I've been finding you ways how
To see that I am never found

I always know where you are
You never know where I am
You caught me sneaking around
Like the invisible man
You'll never know where I've gone
You've gone and done it again
You caught me sneaking around
Like the invisible man
Goin' once, goin' twice, three times I'm gone

You can see right through me
Outside of the mind
Can you see why it's easy
To be the hardest to find?

I always know where you are
You never know where I am
You caught me sneaking around
Like the invisible man
You'll never know where I've gone
You've gone and done it again
You caught me sneaking around

Like the invisible-ble-ble

Like the invisible man
Like the invisible man
Like the invisible man
Like the invisible man

Like the invisible
Goin' once, goin' twice, three times
That's it I'm gone
