There is none like You  
No one else can touch my heart like You do  
And I could search for all eternity long and find  
There is none like You  
There is none like You, Lord

There is none like You  
There is no one else, no one else can touch my heart  
like You do  
And I could search, I could search for all eternity long  
and find  
There is none like You

Your mercy flows like a river so wide  
And healing comes from Your hands  
Suffering children are safe in Your arms  
There is none like You  
There is none like You, Lord

There is none like You  
No one else can touch my heart like You do  
And I could search, I could search for all eternity long  
and find  
There is none like You

Oh, I could search for all eternity long and find  
There is none, there is none  
There is none, there is none  
There is none like You  
There is none like You
