KATE MONSTER

There's a fine, fine line  
between a lover, and a friend.  
There's a fine, fine line  
between reality, and pretend;  
And you never know 'til you reach the top  
if it was worth the uphill climb.

There's a fine, fine line  
between love,  
and a waste of time

There's a fine, fine line  
between a fairy tale, and a lie.  
And there's a fine, fine line  
between "you're wonderful" and "goodbye".  
I guess if someone doesn't love you back  
it isn't such a crime

But there's a fine, fine line  
between love,  
and a waste of your time  
And I don't have the time to waste on you anymore.  
I don't think that you even know what you're looking for.  
For my own sanity I've got to close the door  
And walk away...  
Oh...

There's a fine, fine line  
between together,  
and not.  
And there's a fine, fine line  
between what you wanted,  
and what you got.  
You gotta go after the things you want  
while you're still in your prime.

There's a fine, fine line  
between love,  
and a waste of time.
