You don't even know me, you can't even see me
Friendly of the daylight, now I'm back, now I'm back
again
Don't be scared baby, can't you see I'm thirsty?
Friends of the daylight, let me drink, let me drink my
friend
Don't be scared baby, don't be afraid
Friends of the daylight and I'm back and I'm back again

Never going nowhere, you can't run from me
Day and night baby, can I drink, can I drink again
Yeah, yeah, can we drink, can we drink my friend?
Don't be scared baby, don't be scared baby
Can't you see I'm thirsty? And I'm back and I'm back
again

What, first things first, man, you can't fight the curse
You can't call the doctor, you can't call the nurse
You got that Louie Loco on the side of your purse
And those tight mint sixties, about to make me burst
I can't think, let me sink into your jugular
Come have a drink with the thirsty love guzzler

From the darkside, baby don't be afraid
You can't fight the thirst nor escape the blade
I'm been scopin' you, hopin' you be open to
Take a sip, of the potion cuz it's overdue
It's not your ordinary, it's a special brew
In the heat of the night I will rescue you

Never going nowhere, you can't run from me
Day and night baby, can I drink, can I drink again
Yeah, yeah, can we drink, can we drink my friend?
Don't be scared baby, don't be scared baby
Can't you see I'm thirsty? And I'm back and I'm back
again

Allow me a parting gift to remember this
Sooner no later the thirst always drink

Yeah, yeah and I'm back and I'm back again
Live, live back again
