(Raven)

Oh oh at times i felt like
i had lost myself self
cause people try to
make you someone else else
i had to learn to trust my heart
so things can change

(hook)

i came to a point where i can speak my mind and not
feel, im livin in a box to keep the girl i am conceald and
ooh i finally found the strength so i can leave that all
behind

(chorus)

this is my time to shine
this is my place to find
all that i have inside i neva knew
this is my time to show
what i must have always known
that nothings impossible
and dreams come true
and dreams come true

(verse 2 raven)

oh oh everybody's got
the strength inside side
all it takes is time to realize lize
that you and only you can be
the one to decide

(hook)

that anything i want i can do
beliveing in myself that every
wish i make will come true
and ohh i took a while to get this far
but im here now

(chorus)

this is my time to shine
this is my place to find
all that i have inside i never knew

this is my time to show
what i must have always known
