### "Three Is a Magic Number"

Visit "[Three Is a Magic Number](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Three is a magic number  
Ya it is, its a magic number  
Somewhere in that ancient mystic trinity  
Youll get three  
As a magic number  
The past, the present, the future,  
Faith, and hope, and charity,  
The heart, the brain, the body,  
Will give you three,  
Its a magic number

It takes three legs to make a tripod or to make a table  
stand,  
And it takes three wheels to make a vehicle called a  
tricycle  
And every triangle has three corners,  
Every triangle has three sides,  
No more, no less,  
You dont have to guess  
That its three  
Cant you see?  
Its a magic number

A man and a woman had a little baby  
Yeah they did  
And there were three in the family  
And thats a magic number

3, 6, 9,  
12, 15, 18,  
21, 24, 27,  
30

Now multiply backwards from 3x10  
3x10 is 30  
3x9 is 27  
3x8 is 24  
3x7 is 21  
3x6 is 18  
3x5 is 15  
3x4 is 12

And  $3 \times 3$  is 9  
And  $3 \times 2$  is 6  
And  $3 \times 1$  is 3 of course  
(now dig the pattern once more!)

3, 6, 9,  
12, 15, 18  
Oh yeah

$3 \times 10$  is 30  
 $3 \times 9$  is 27  
 $3 \times 8$  is 24  
 $3 \times 7$  is 21  
 $3 \times 6$  is 18  
 $3 \times 5$  is 15  
 $3 \times 4$  is 12  
And  $3 \times 3$  is 9  
And  $3 \times 2$  is 6  
And  $3 \times 1$   
What is it?  
Three!

A man and a woman had a little baby  
There were three in the family  
And thats a magic number
