Lyin' in my bed
I hear the clock tickin', I think of you
Caught up in circles
Confusion is nothing new

Flashback, warm nights, almost left behind
Suitcase of memories

Time after

Sometimes you picture me
I'm walkin' too far ahead
You're callin' to me
I can't hear what you said

And you said, "Go slow, I fall behind"
The second hand unwinds

If you're lost, you can look
And you will find me, time after time
If you fall, I will catch you
I'll be waitin', time after time

If you're lost, you can look
And you will find me, time after time
If you fall, I will catch you
I'll be waitin', time after time

If you're lost, you can look
And you will find me, time after time
If you fall, I will catch you
I'll be waitin', time after time

Secrets stolen from deep inside
The drumbeats out of time

If you're lost, you can look
And you will find me, time after time
If you fall, I will catch you
I'll be waitin', time after time

If you're lost, you can look

And you will find me, time after time
If you fall, I will catch you
I'll be waitin', time after time

Time after time
