Time has come today, young hearts can go that way
Can't put it off another day I don't care what others say
They say we don't listen anyway, time has come today,
hey

Oh, the rules have changed today I have no place to
stay
Thinking about the subway, the love has flown away
My tears have come and gone, oh my Lord, I have to
roam
I have no home, I have no home

Now the time has come
No place to run
I might get burned up by the sun
But I had my fun

I've been loved and put aside I've been crushed by
tumbling tide
And my soul has been psychedelized
Now the time has come, there are things to realize
Time has come today, time has come today

Time
Time
Time

Now the time has come
No place to run
I might get burned up by the sun
But I had my fun

I've been loved and put aside I've been crushed by
tumbling tide
And my soul has been psychedelized
Now the time has come there are things to realize
Time has come today, time has come today

Time
Time
Time
