What you think
What you feel now
What you know
To be real

What you think (I think I love you, baby)
What you feel now (I feel I love you, baby)
What you know (Ho...ho...oh...)
To be real

Ooh...your love's for real now
You know that your love is my love
My love is your love
Our love is here to stay

What you think (I think I love you, baby)
What you feel now (I feel I love you, baby)
What you know (Ho...ho...oh...)
To be real

Ooh...your love's for real now
You know that your love is my love
My love is your love
Our love is here to stay

What you think (I think I love you, baby)
What you feel now (I feel I love you, baby)
What you know (Ho...ho...oh...)
To be real

Ooh...your love's for real now
You know that your love is my love
And my love is your love
Our love is here to stay

What you think (I think I love you, baby)
What you feel now (I feel I love you)
What you know (Ho...ho...oh...)
To be real

What you think (I think I love you)
What you feel now (I feel I need you)

What you know (Oh, oh, yeah)
To be real (It's got to be real)
To be real (It's got to be real)
To be real

What you think
What you feel now
What you know
To be real

What you think (Oh, ho, ho, what you feel now)
What you feel now (Oh, ho, ho, what you know now)
What you know (Whoa, whoa, whoa)
To be real (Got to be real, it's got to be real)
To be real (It's got to be real, it's got to be real)
To be real (It's got to be real, it's got to be real)
To be real (It's got to be real, it's got to be real)
To be real (Oh, real, real, real, real)
To be real (Real, real, real, real)
