(ZANE:)  
Wasn't for him I wouldn't be alive  
Chastized  
For tellin' lies  
Since then baptized look in my eyes  
Can you see the pain?  
Why does the sun shine when it rains?  
Hard times got me feelin'  
Daddy never did a thang  
I'm GOD's chosen  
He put me in a rolls  
And keeps my wrist frozen  
Never brown nosin'  
Like an explosin'  
I cause a comotion  
Spit the truth like a profit  
I talk to the ocean  
People fear what they cant understand  
I thank GOD that I can  
I stay focused keepin' Him in my plan  
Never losin' my fate  
Haters gonna try to degrate  
Gotta be in my state of mind to relate  
Gotta know this is the end and ain't no time to waist  
Time to face your fate  
And I pray you don't end up in the lake  
Do whatever it takes  
So many mistakes we make  
But we gone all get it right  
Once we down by the river side

Chorus:  
(Montell Jordan:)

Goin' Down(We goin down to da river, take it to da river)  
Goin' down baby(Yo Yo down to da river take it to da river)  
Goin' down  
Goin' down baby(We goin' down to da river)

(T-BONE:)

I'm gonna lay down  
All of my glocks and automatics  
I'm charismatic like crack addicts  
Ya wreak havoc  
Like road ragers in bare traffic  
It gets drastic  
But He's fantastic and attractin'  
Never packin'  
Now I'm fastin'  
(Hazard)With passion  
How can I get this life everlastin'?  
Sick of blastin'and dashin'  
Flashin' like Charles Manson  
He payed the ransom  
Now I'm glory holla dancin'  
I'm flippin' it rippin' it  
Comin' wit lyrical styles ya'll never heard  
Steady reachin' partnas  
That be on them corners flippin' birds  
Forget the english spit rhymes para mi jente  
Buster and giovanni bringing beats like tito fuente  
Salsa merengue,  
Ripos caliente,  
Asucar sabroso par ti y para mi  
Headin' down to the river side  
So I can let the old man die  
When I come out of the water  
A new man feel it come alive  
Revived with the Holy Ghost and tears in my eyes

CHORUS

We so hot  
We don't stop  
We take it to the river ya know we goin' down, down  
Cause we so hot

(T-Bone:)

I'm sick of packin' all these 9's  
Slangin' dimes and smokin' on da marijuana  
Chillin' wit pretty momma's  
From Havanah in the Bahamahs  
Plus demons tryna see me hot like I'm in da sauna

And I'm just tryna get ya loose kinda like Madonna

(Zane:)

Call up everybody I know  
Tell 'em it's time to go  
Me and T-Bone in the 6-4 sittin real low  
Bout to roll to da riverside  
Put that liquor to da side ain't no need for gettin high  
Stay alive, pay your tithes

(T-Bone:)

Cause El shadi  
Elohim  
Got me trippin' ya'll  
Now I been laying down all of my burdens because I  
don't wanna be left and burnin'  
Flirtin' with death and He  
Promise my last breath  
Dressed in prison blues  
Holy Spirit got me under arrest

(Zane:)

I used to be a thug  
Sold drugs might assault ya  
Stepped up in da church  
Got converted at the altar  
And I don't fault ya  
Fell back and he caught ya  
Out tryna floss better live what he tought ya

CHORUS

We so hot  
We don't stop  
We take it to the river ya know we goin' down, down  
Cause we so hot
