He calls the mansion not a house but a tomb  
He's always choking from the stench and the fume  
The wedding party, all collapsed in the room  
So send my resignation to the bride and the groom

Let's go down, this elevator only goes up to ten  
He's not around, he's always looking at men  
Down by the pool, he doesn't have many friends  
As they are face down and bloated snap a shot with the lens

If you marry me, would you bury me?  
Would you carry me to the end?

Say goodbye to the vows you take  
Say goodbye to the life you make  
Say goodbye to the hearts you break  
And all the cyanide you drank

She keeps a picture of the body she lends  
Got nasty blisters from the money she spends  
She's got a life of her own and it shows by the Benz  
She drives at 90 by the Barbies and Kens

If you ever say never too late  
I'll forget all the diamonds you ate  
Lost in coma and covered in cake  
Increase the medication, share the vows at the wake

If you marry me, would you bury me?  
Would you carry me to the end?

Say goodbye to the vows you take  
Say goodbye to the life you make  
Say goodbye to the hearts you break  
And all the cyanide you drank

And say goodbye to the last parade  
And walk away from the choice you made  
And say goodnight to the hearts you break  
And all the cyanide you drank

Say goodbye to the vows you take  
Say goodbye to the life you make  
Say goodbye to the hearts you break  
And all the cyanide you drank

And say goodbye to the last parade  
And walk away from the choice you made  
And say goodnight to the hearts you break  
And all the cyanide you drank

To the last parade, when the parties fade  
And the choice you made to the end
