Turn around, Every now and then I get a little bit lonely  
and you're never coming round  
Turn around, Every now and then I get a little bit tired  
of listening to the sound of my tears  
Turn around, Every now and then I get a little bit  
nervous that the best of all the years have gone by  
Turn around, Every now and then I get a little bit  
terrified and then I see the look in your eyes  
Turn around bright eyes, and every now and then I fall  
apart  
Turn around bright eyes, and every now and then I fall  
apart  
Turn around, every now and then I get a little bit  
restless and I dream of something wild  
Turn around, every now and then I get a little bit  
helpless and I'm lying like a child in your arms  
Turn around, every now and then I get a little bit angry  
and I know I've gotta get out and cry  
Turn around, every now and then I get a little bit  
terrified and then I see the look in your eyes  
Turn around bright eyes, and every now and then I fall  
apart  
Turn around bright eyes, and every now and then I fall  
apart  
And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong  
Together we can make it to the end of the line  
Your love is like a shadow on me all the time  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight  
Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can say  
A total eclipse of the heart

Turn around bright eyes, and every now and then I fall  
apart

Turn around bright eyes, and every now and then I fall  
apart  
And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong  
Together we can make it to the end of the line  
Your love is like a shadow on me all the time  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight  
Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart

A total eclipse of the heart  
A total eclipse of the heart  
Turn around bright eyes, turn around
