(Turn around)

Every now and then I get a little bit lonely
And you never come around

(Turn around)

Every now and then I get a little bit tired
Of listenin' to the sound of my tears

(Turn around)

Every now and then I get a little bit nervous
That the best of all the years have gone by

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

(Turn around bright eyes)

Every now and then I fall apart

(Turn around bright eyes)

Every now and then I fall apart

(Turn around)

Every now and then I get a little bit restless
And I dream of somethin' wild

(Turn around)

Every now and then I get a little bit helpless
And I'm lyin' like a child in your arms

(Turn around)

Every now and then I get a little bit angry
And I know I have to get out and cry

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

(Turn around bright eyes)

Every now and then I fall apart

(Turn around bright eyes)

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you'll only hold me tight

We'll be holdin' on forever

And we'll only be makin' it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time

I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was fallin' in love
But now I'm only fallin' apart
Nothin' I can say
A total eclipse of the heart

(Turn around bright eyes)
Every now and then I fall apart
(Turn around bright eyes)
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you love me, hold me tight
We'll be holdin' on forever

We'll only be makin' it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time

I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was fallin' in love
But now I'm only fallin' apart
Nothing I can do
Total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart
