The atlantic was born today and i'll tell you how...
The clouds above opened up and let it out.

I was standing on the surface of a perforated sphere
When the water filled every hole.
And thousands upon thousands made an ocean,
Making islands where no island should go.
Oh no.

Those people were overjoyed; they took to their boats.
I thought it less like a lake and more like a moat.
The rhythm of my footsteps crossing flood lands
2 your door have been silenced forever more
The distance is quite simply much too far for me to row
It seems farther than ever before
Oh no.

I need you so much closer [x8]

[instrumental break]

I need you so much closer [x4]
So come on, come on [x4]
