I'll remember it
And Dublin in a rainstorm
And sitting in the long grass in summer
Keeping warm

I'll remember it every restless night
We were so young then
We thought that everything
We could possibly do was right

Then we moved
Stolen from our very eyes
And I wondered where you went to
Tell me when did the light die

You will rise, you'll return
The phoenix from the flame
You will learn, you'll return
Being what you are
There is no other Troy for you to burn

And I never meant to hurt you
I swear I didn't mean those things I said
I never meant to do that to you
Next time I'll keep my hands to myself instead

Oh, does she love you?
What do you want to do?
Does she need you like I do?

Do you love her?
Is she good for you?
Being what you are
There is no other Troy for you to burn

Being what you are
There is no other Troy for you to burn
