You're the kind of friend

who always bends when im broken

like remember when...

You took my heart and put it back together again.

I've been waisting time with clueless guys but now its over.

Let me tell you why...im through... i've got someone new just like you!

You're it,You're the Ultimate

It's automatic,im sure of it.

No lie,so dont even try

To tell me that you're not the guy

'cause, i've been waiting all my life for someone just like you

But you're it,you're the Ultimate you.

You're the kind of guy who's hands is mine...

Send shiver's,up and down my spine.

You took my heart and put it back together agian.

You're the kind of guy that blows my mind

but now its my turn,you've been right in front of me.

Everything i knew why didnt i feel?

You're it,You're the Ultimate

It's automatic,im sure of it.

No lie,so dont even try

To tell me that you're not the guy

'cause, i've been waiting all my life for someone just
like you

But you're it, you're the Ultimate you.
You're it, YOU'RE THE ULTIMATE YOU!
