instrumental intro

Now you're drifting to the sea of lies
A foolish villain hidden in their shelter
The demons are running behind your eyes
A simple shadow we can fight together
I'll never walk away
Tear!
Down!
The walls that will surround
Cry!
Out!
Above the burning sound
Show!
Me!
How bleeding hearts still pound
If we stand together we will be unbroken
We carry forward into the night
The strength of innocence, like children's laughter
An army standing for what is right
We'll fall like angels if we lose what matters
I will not walk away
Tear!
Down!
The walls that will surround
Cry!
Out!
Above the burning sound
Show!
Me!
How bleeding hearts still pound
If we stand together we will be unbroken
Whoooooa (4x)
