Just a day,
Just an ordinary day.
Just tryin to get by.
Just a boy,
Just an ordinary boy.
But he was looking towards the sky.
And as he asked if I would come along
I started to realize-
That everyday you find
Just what he's looking for,
Like a shooting star he shines.

He said take my hand,
Live while you can
Don't you see your dreams are right in the palm of your
hand

And as he spoke, he spoke ordinary words
Although they did not feel
For I felt what I had not felt before
You'd swear those words could heal.
And I as looked up into those eyes
His vision borrows mine.
And to know he's no stranger,
For I feel I've held him for all of time.

And he said take my hand,
Live while you can
And if we walk now we will divide and conquer this
land.
Don't you see your dreams are right in the palm of your
hand
Right in the palm of your hand
Please come with me,
See what I see.
Touch the stars for time will not flee.
Time will not flee.
Can you be

Just a dream, just an ordinary dream.
As I wake in bed
And the boy, that boy, that ordinary boy.

Or was it all in my head?
Did he asked if I would come along
It all seemed so real.
But as I looked to the door,
I saw that boy standing there with a deal.
And he said he my take my hand,
Live while you can,
Don't you see your dreams are right in the palm of your
hand
Right in the palm of your hand
Right in the palm of your hand

Just a day, just an ordinary day
Jus tryin to get by.

Just a boy,
Just an ordinary boy.
But he was looking to the sky.
