Why we're livin' in?  
Lemme tell ya

And it's a wonder man can eat at all  
When things are big that should be small  
Who can tell what magic spells we'll be doing for us  
And I'm giving all my love to this world  
Only to be told I can't see, I can't breathe  
No more will we be

And nothing's gonna change the way we live  
'Cuz we can always take and never give  
And now that things are changing for the worse  
See, it's a crazy world we're living in  
And I just can't see that half of us immersed in sin  
Is all we have to give these

Futures made of virtual insanity  
Now always seem to be governed by this love we have  
For useless, twisting of our new technology  
Now there is no sound for we all live underground

And I'm thinking in what a mess we're in  
Hard to know when to begin  
If I could slip the sickly ties that earthly man has made  
And now every mother can choose the color of her  
child  
That's not nature's way

Well that's what they said yesterday  
There's nothing left to do but pray  
I think it's time I found a new religion  
It's so insane to synthesize another strain  
There's something in these futures that we have to be  
told

Futures made of virtual insanity  
Now always seem to be governed by this love we have  
For useless, twisting of our new technology  
Now there is no sound for we all live underground

Now there is no sound if we all live underground

And now it's virtual insanity  
Forget your virtual reality  
There's nothing so bad as a [Incomprehensible]  
I know, yeah

Futures made of virtual insanity  
Now always seem to be governed by this love we have  
For useless, twisting of our new technology  
Now there is no sound for we all live underground

And this life that we're livin',  
it's all so wrong  
Out of the window, do ya know?  
There, there is nothin' worse now  
How many men?  
There is nothin' worse now  
A foolish mind

Well, virtual insanity is what we're living in  
Is all right
