Oh play me a blues song and fade down the light
Im sad as a proud man can be sad tonight
Just let me dream on, oh just let me sway
While the sweet violins and the saxophones play
And Miss, you dont know me, but cant we pretend
That we care for each other, till the band reach the end

One step for aching
Two steps for breaking
Waltzings for dreamers
And losers in love

One step for sighing and
Two steps for crying
Waltzings for dreamers
And losers in love

They say loves for gamblers, the pendulum swings
I bet hard on love and I lost everything
So dont send me home now, put a shot in my arm
And well drink out old memories and well drink in the
dawn
And Mr. Bandleader, wont you play one more time
For Ive good folding money in this pocket of mine.

Chorus
